Comments/Recommendations	Total Presenter's Score
Unfortunately, it's the last group so there's too little time to present.	10
	10
It corresponds to the question given by the teacher in every respect.	10
	10
In the clip, I want you to speak louder.	10
	10
Use RTC usefully	10
	10
You can draw fsm very well.	10
	10
Our group	0
	0
The subjects learned in the first class are well applied.	10
	10
Easy eruptions such as a room with high humidity may make it impossible to predict rain.	10
	10
Great job	10
	10
Excellent work, no one can compare to her.	10
	10
Suitable for teenagers who still love to listen to music.	10
	10
Rather dangerous if misused	10
