Comments/Recommendations	**Total Presentor's Score**
If use Blynk, it will compatible with this work.	10
	10
UI is so tough to understand.	10
	10
Very useful when playing game and want to know mom is coming	10
	10
This group the purpose is like our group by want everyone to stay safe.	10
	10
It hard to see the picture of work	10
	10
No need to real time store data into DB	10
	10
Only humidity, it not sure that it going to rain.	10
	10
Good	10
	10
Excellent, Outstanding work	10
	10
Should use more than node red.	10
